

COVID-19 Outlook

We are working hard to host an incredible PDC. COVID-19 creates unusual risks and fears, but careful observation and adapting to change are permaculture principals that will serve us as we create a safe learning environment.

Pearlstone Center offers a range of retreats and conferences to diverse guests. Our daily commitment to keeping our guests and staff safe and thriving prepares us uniquely to host this PDC.

Located in Maryland, a state that has responded pro-actively to the pandemic, we will adhere to all state and federal laws including those related to group size, social distancing, travel restrictions, and more.

Observing carefully, we believe it will be possible to have a safe and amazing PDC in August.

Change is dynamic, if conditions change in ways that make it impossible to gather safely, we'll take care of you. That means we will communicate with you, refund your tuition fairly, or transfer your tuition to our next PDC. Please read our cancelation policy for more details.

Learning and practicing together is really powerful and inspiring. We will invest all of our effort and skill to create that opportunity for you, our community, with an awesome PDC.
